Re: **EM-EVER-164-200909e** - 258 Rood Avenue (Windsor), Notice of Completion

Dear Attorney Bachman:

On September 28, 2020, Eversource Energy (“Eversource”) received an acknowledgement from the Connecticut Siting Council (“Council”) of Eversource’s notice to install a new transformer at the Rood Avenue Substation in the Town of Windsor, subject to conditions. Among other conditions of the acknowledgement, the Council required that Eversource submit the following item:

- Not less than 45 days after completion of the transmission line maintenance activity, the Council shall be notified in writing that construction has been completed.

Please be advised that construction was completed on April 7, 2022.

Eversource will be providing one original and two hard copies in the mail for the Council’s records.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kathleen M. Shanley". The signature is fluid and cursive, with a large loop at the end.

Kathleen M. Shanley
Manager, Transmission Siting
