Re: **EM-VER-165-211209 – Cellco Partnership d/b/a Verizon Wireless
Telecommunications Facility, 55 King Spring Road, Windsor Locks, Connecticut**

Cancellation Notice – Suffield South

Dear Attorney Bachman:

On January 24, 2023, the Siting Council approved Cellco's request to modify its existing telecommunications facility at 55 King Spring Road, Windsor Locks, Connecticut. Due to anticipated changes in facility equipment, the modifications approved in EM-VER-165-211209 will not be completed and the project has been cancelled. Cellco will not, therefore, be supplying the Council with the construction completion notice required for EM-VER-165-211209. Cellco expects to refile for CSC approval of similar modifications shortly.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
