New Britain, CT 06051

Re: **EM-VER-165-211027 – Cellco Partnership d/b/a Verizon Wireless
Telecommunications Facility, 2-4 Volunteer Drive, Windsor Locks Connecticut**

Completion of Construction

Dear Attorney Bachman:

The purpose of this letter is to notify the Siting Council that construction activity associated with the above-referenced facility modification has been completed.

As required by the Council's approval, attached is a letter from On Air Engineering, LLC dated February 19, 2023, verifying that the facility modifications were completed in accordance with the April 13, 2021 Mount Analysis Report by Master Consulting. A photograph of the completed modifications is attached.

If you have any questions or need any additional information regarding this facility, please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin

Re: Verizon Site Name: Windsor Locks NE CT
ANTMO MT6407-850-LTE - Engineering Letter of Compliance
SBA Site # CT22108; 4 Volunteer Dr., Windsor Locks, CT

Dear Walter:

We are providing this letter of compliance with regard to the above referenced project. The following are the basis for substantiating compliance with this modification:

- Construction Drawings by On Air Engineering dated 05-20-21 V1
- Structural Analysis Report by Tower Engineering Solutions (TES) dated 10-04-21
- Mount Modification Drawings by Maser Consulting dated 04-13-21 V0
- Mount Analysis Report by Maser Consulting dated 04-13-21
- Field observations by On Air Engineering, LLC personnel on 02-02-23
- Post-construction photos provided by the General Contractor

Verizon's facility modification is described in detail within the above referenced Construction Drawings as it pertains to Verizon antenna, RRH, OVP and cabling upgrades. Our office also reviewed the structural mount upgrades specified in those drawings.

The work under this contract has been reviewed and found, to the Engineer's best knowledge, information and belief, to be completed in general compliance with the referenced documents and in conformance with the building permit issued for this work. Please feel free to contact our office if you have any questions.

Very truly yours,

David A. Weinpahl, P.E.
