Re: **EM-VER-166-201204 – Cellco Partnership d/b/a Verizon Wireless  
1192 Wolcott Road and Andrews Road, Wolcott, Connecticut**

### **Completion of Construction**

Dear Ms. Bachman:

The purpose of this letter is to notify the Siting Council that construction activity associated with the above-referenced Cellco Partnership d/b/a Verizon Wireless (“Cellco”) facility modifications has been completed. Cellco anticipates that the temporary microwave dish antennas will be decommissioned in the next several months. We will provide the Siting Council with notification once permanent backhaul service has been fully established and the microwave antennas have been removed.

If you have any questions or need any additional information regarding this facility, please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
