RE: Notice of Withdrawal

DOCKET NO. 388 – New Cingular Wireless PCS, LLC (AT&T) Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility located at 1990 Litchfield Turnpike, Woodbridge, Connecticut. **Crown Castle USA, Inc. o/b/o Cellco Partnership d/b/a Verizon Wireless Motion to Reopen and Modify Certificate based on changed conditions pursuant to Connecticut General Statutes §4-181a(b).**

TS-VER-167-251217 – Cellco Partnership d/b/a Verizon Wireless request for an order to approve tower sharing at an existing telecommunications tower located at 1990 Litchfield Turnpike, Woodbridge, Connecticut.

Dear Domenica Tatasciore:

The Connecticut Siting Council (Council) is in receipt of your April 28, 2026 correspondence requesting withdrawal of the above-referenced Motion to Reopen and Modify the Certificate based on changed conditions pursuant to Connecticut General Statutes (CGS) §4-181a(b) (Motion to Reopen) and the above-referenced tower share request from further consideration by the Council.

The Council hereby declares these matters no longer be pending before this agency. Please be advised that if a Motion to Reopen and/or tower share request is submitted to the Council in the future for the jurisdictional facility certificated by it in Docket No. 388 at 1990 Litchfield Turnpike, Woodbridge, a new Motion to Reopen and/or a new tower share request must be submitted to the Council in accordance with the applicable statutory and regulatory requirements.

Please also be advised that Crown Castle (Crown), who filed both matters, remains responsible for the payment of invoices and assessments incurred in processing the above-referenced Motion to Reopen and tower share request prior to this April 28, 2026 withdrawal, pursuant to CGS §16-50v.

Finally, page 1 of the Motion to Reopen references Crown as the owner of the facility that was certificated by the Council on July 29, 2010; however, Council records indicate AT&T is the owner and Certificate Holder of the jurisdictional facility.

Therefore, the Council hereby requests Crown to **submit a notice of transfer of Certificate from AT&T to Crown in compliance with CGS §16-50k(b) by May 6, 2026.**

Should you have any questions, please feel free to contact the Council office.

Thank you.

Sincerely,

Melanie A. Bachman
Executive Director
