RE: **TS-VER-167-251217** – Cellco Partnership d/b/a Verizon Wireless request for an order to approve tower sharing at an existing telecommunications tower located at 1990 Litchfield Turnpike, Woodbridge, Connecticut. **Notice of Incomplete Request.**

Dear Jeff Barbadora:

The Connecticut Siting Council (Council) received a tower share request the for above-referenced facility on December 17, 2025.

According to Section 16-50j-90 of the Regulations of Connecticut State Agencies, “no tower share application shall be approved until a complete application containing all information deemed relevant by the Council has been filed. Relevant information shall at a minimum include that listed in Section 16-50j-89 of the Regulations of Connecticut State Agencies...”

Staff has reviewed this tower share request for completeness and has identified a deficiency in the proposed antenna mount that is not compliant with the Council’s Decision and Order for Docket No. 388 dated July 29, 2010. Condition No. 1 of the above referenced Decision and Order states “the tower be constructed ...with flush mounted antennas”.

The proposed tower share request indicates that Cellco’s proposed antenna mount is not in compliance with Condition No. 1 of the Council’s Decision and Order for this facility.

Therefore, the tower share request is incomplete at this time. The Council recommends that Cellco provide a revised request that is in compliance with the Council’s Decision and Order in Docket No. 388 or submit a motion to reopen Docket No. 388 to modify the condition requiring flush mounted antennas on the subject tower on or before January 28, 2026. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to January 28, 2026. **Please provide an electronic version and one hard copy of the requested information for the incomplete tower share to be rendered complete and processed. Please include the Council’s tower share identification number referenced above with the submittal.**

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,
