RE: **EM-VER-169-151109** - Cellco Partnership d/b/a Verizon Wireless notice of intent to modify an existing telecommunications facility located at 215 Coatney Hill Road, Woodstock, Connecticut.

Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your letter dated October 17, 2017, submitted on behalf of Cellco Partnership d/b/a Verizon Wireless requesting an extension of time to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

The Council hereby grants a second one-year extension of time until November 30, 2018, to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

This extension is granted with the understanding that the Council will be notified should Cellco need additional time to submit a notice of completion and associated post modification inspection report, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman
Executive Director

Dear Ms. Bachman:

On November 8, 2016, Cellco requested an extension of one year, to November 30, 2017, to complete the approved modifications to the above-referenced telecommunications facility. On November 9, 2016, the Siting Council approved that one year extension. Cellco has not yet completed the approved modifications at this site and requests an extension of one (1) year, to November 30, 2018, to complete these modifications.

If you have any questions please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
