Re: Petition No. 983 - BNE Energy Inc. Declaratory Ruling that no Certificate of Environmental Compatibility and Public Need is required for the construction, maintenance, and operation of a 4.8 MW Wind Renewable Generating facility located on Flagg Hill Road, Colebrook, Connecticut.

Dear Ms. Bachman:

It has come to my attention that the February 21, 2020 *Response to the Connecticut Siting Council's January 24, 2020 D&M Interrogatories* inadvertently left out some information regarding abutters in the Response to Interrogatory number 2. The corrected Response to Interrogatory number 2 should read as follows:

Answer: On January 31, 2020, notice of the proposed D&M Plan modification was provided to: (1) the Federal National Mortgage Association, the owner of 47 Flagg Hill Road; (2) Jonathan Gold, the owner of a parcel located on Skinner Road in Winchester and a parcel on Beckley Road in Norfolk, and (3) the Grant Swamp Group, the owner of 246 Danbury Qtr Road. These are the four parcels that abut the 53 Flagg Hill Road parcel that had not been previously provided with notice of Petition 983.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Lee D. Hoffman
