Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your letter dated November 13, 2020, submitted on behalf of Cellco, requesting an extension of time to submit a notice of completion of construction and compliance with site-specific conditions, if applicable, for the above-referenced sub-petition.

The Council hereby grants a 6-month extension of time until June 24, 2021, to submit a notice of completion of construction and compliance with site-specific conditions, if applicable, for the above-referenced sub-petition.

This extension is granted with the understanding that the Council will be notified should Cellco need additional time to submit a notice of completion and compliance with site-specific conditions, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Request for Extension

Dear Attorney Bachman:

On December 24, 2019, the Siting Council approved Cellco's Eligible Facilities Request ("EFR") to install antennas at the above-referenced telecommunications facility off Andrews Road in Wolcott, Connecticut. Construction at the Cellco facility improvements has commenced but may not be completed by December 24, 2020. We are, therefore, requesting an extension of six (6) months, to June 24, 2021, to complete the installation.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
