RE: **PETITION NO. 1200** – 2015 ESA Project Company, LLC Declaratory Ruling that no Certificate of Environmental Compatibility and Public Need is required for the construction, operation and maintenance of an 800 Kilowatt Fuel Cell Facility to be located at Parkville Community Elementary School, 1755 Park Street, Hartford, Connecticut. **Notification of Upstream Parent Company Change.**

Dear Tara Dhimitri:

The Connecticut Siting Council (Council) is in receipt of your correspondence on September 28, 2023 regarding the Notification of Upstream Parent Company change that 2015 ESA Project Company, LLC is a wholly owned subsidiary of Generate Capital, PBC, consistent with the condition of the Council's Declaratory Ruling for the above-referenced facility dated January 8, 2016.

The Council hereby acknowledges the notification with the condition that 2015 ESA Project Company, LLC complies with all the terms, limitations, and conditions contained in the Decision and Orders issued for the above-referenced facility on January 8, 2016 and on the timely payment of apportioned assessment charges for the facility under Connecticut General Statutes § 16-50v(b)(1).

Thank you for your attention and cooperation. The Notification of Upstream Parent Company Change will be placed in the above referenced file.

Sincerely,

Melanie A. Bachman
