Re: New Haven Harbor Station/Peaking Project:

***Petition No. 925 and 976** – PSEG New Haven LLC petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the modifications relating to the installation and operation of three 48.5 MW peaking units at New Haven Harbor Station, New Haven, Connecticut, as modified by Docket NT-2010 – Reopening of final decisions pursuant to C.G.S. §4-181a(b) for jurisdictional natural gas-fired electric generating facilities under C.G.S. §16-50i(a)(3) and C.G.S. §16-50k(a) limited to Council consideration of changed conditions and the attachment of conditions to the certificates and declaratory rulings consistent with the findings and recommendations in the Final Report issued by the Kleen Energy Plant Investigation Review Panel (Nevan Commission) and the findings and recommendations in the Executive Report issued by the Thomas Commission.*

Bridgeport Harbor Station/Unit #5:

***Petition No. 1218** – PSEG Power Connecticut LLC petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the construction, maintenance, and operation of a new 485 megawatt (MW) dual fuel combined-cycle electric generating facility at the existing Bridgeport Harbor Station located at 1 Atlantic Street, Bridgeport, Connecticut.*

Dear Attorney Bachman:

As provided for in its September 23, 2021 letter, Generation Bridge II LLC (“GenBridge 2”) hereby provides notice to the Connecticut Siting Council (“CSC” or the “Council”) that on February 23, 2022, Genbridge 2 closed the contemplated transaction with PSEG Power

Connecticut LLC and PSEG New Haven LLC, thereby acquiring ownership in and control of the above-referenced facilities. Genbridge 2 has filed a certificate with the Delaware Secretary of State to amend the name of PSEG New Haven LLC, changing its name to "GB II New Haven LLC." Genbridge 2 has also filed a certificate with the Connecticut Secretary of State to amend the name of PSEG Power Connecticut LLC, changing its name from "PSEG Power Connecticut LLC" to "GB II Connecticut LLC."

As conditioned in the Council's correspondence dated October 6, 2021 regarding the transfer, Genbridge 2's operating companies owning the above facilities shall comply with all terms, limitations, and conditions contained in the declaratory rulings issued on January 7, 2010; December 16, 2010; and July 22, 2016, and in any full or partial Development and Management Plan approvals that may have been issued by the Council and shall make timely payment of apportioned assessment charges for the facilities under Connecticut General Statutes § 16-50v(b)(1).

If you have any questions or require additional information, please do not hesitate to contact me.
