Dear First Selectman Cahill:

During a public meeting of the Connecticut Siting Council (Council) held on December 3, 2020, the Council voted to grant Windham Solar, LLC's October 26, 2020 Motion to Reopen the Council's July 21, 2016 denial without prejudice of a declaratory ruling for the construction, maintenance and operation of the 2.0 Megawatt Solar Photovoltaic Electric Generating facilities, known as the "Future Projects," to be located in the western portion of the facility site based on changed conditions, pursuant to Connecticut General Statutes §4-181a(b).

Should you have any questions or comments regarding the above-referenced reopened petition for a declaratory ruling, please feel free to call me at 860-827-2951 or submit written comments to the Council by January 8, 2021.

Thank you for your consideration.

Sincerely,
