Dear Mayor Elicker:

Pursuant to Connecticut General Statutes §4-176 and §16-50k, the Connecticut Siting Council (Council) is in receipt of a second request to amend a declaratory ruling to install an additional customer-side 2,000-kilowatt fuel cell facility in the Town of North Haven. The City of New Haven is within 2,500 feet of the proposed site.

In accordance with Section 16-50j-40 of the Regulations of Connecticut State Agencies, on or about August 4, 2023, written notice of the intent to file the amendment to the declaratory ruling was provided to the Council, the property owner of record, abutting property owners and the chief elected official of the municipality in which the fuel cell facility is proposed to be located and the chief elected official of any municipalities within 2,500 feet of the proposed site.

Should you have any questions or comments regarding the above-referenced petition for a declaratory ruling, please feel free to call me at 860-827-2951 or submit written comments to the Council by September 6, 2023.

Thank you for your consideration.

Sincerely,
