RE: Petition No. 1287 – 1470 Line Redding to Wilton Project – Redding, Wilton and Weston
Notice of Completion of Construction

The Connecticut Light and Power Company doing business as Eversource Energy, Inc. (“Eversource”) submits this letter to comply with the Connecticut Siting Council’s (the “Council”) condition of approval in the above-referenced petition, as follows:

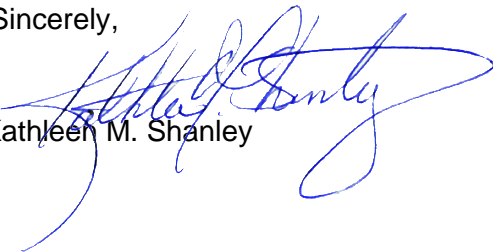

- Within 45 days after completion of construction, the Council shall be notified in writing that construction has been completed.

Accordingly, this letter is to provide notice that as of July 31, 2020, Eversource has completed construction and restoration work, with the exception of the final paving of Upper Parish Road. This work is being performed under the conditions of a Connecticut Department of Transportation (“DOT”) permit and will be completed as soon as the DOT authorizes the work. It is expected to be completed in the next few weeks.

A hard copy of this Notice of Completion of construction will be delivered to your office.

If you have any questions or comments, please call me at (860) 728-4527.

Sincerely,

Kathleen M. Shanley
