RE: Petition 1291 – Towantic Line Upgrades Project  
Construction Completion Letter

Dear Ms. Bachman:

On April 28, 2017, Eversource Energy (“Eversource”) received a declaratory ruling from the Connecticut Siting Council (“Council”) that a Certificate of Environmental Compatibility and Public Need would not be required for the work proposed in Petition No. 1291 (“Petition”), subject to conditions. Among other conditions of the ruling, the Council required that Eversource submit the following item:

- Within 45 days after completion of construction, the Council shall be notified in writing that the construction has been completed.

The construction was completed on May 28, 2020.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kathleen M. Shanley", with a large, sweeping flourish at the end.
