RE: **SUB-PETITION NO. 1293 – CCMCBP-02 (Columbia, Coventry, Mansfield, Chaplin, Brooklyn and Putnam)** - Eversource Energy declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for all transmission facility asset condition maintenance improvements statewide to comply with the updated National Electrical Safety Code clearance requirements.

Dear Kathleen Shanley:

The Connecticut Siting Council (Council) is in receipt of your correspondence dated October 26, 2022 requesting an extension of time to complete maintenance improvements associated with the above-referenced sub-petition.

Pursuant to Condition No. 5 of the Council's decision letter on this sub-petition dated September 27, 2021, the Council hereby grants an extension of time until September 27, 2023 to complete these improvements. The Council acknowledges the withdrawal of Eversource's Notice of Completion for this Project, dated March 22, 2022.

This extension is granted with the understanding that the Council will be notified should Eversource need additional time to complete maintenance improvements or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Melanie A. Bachman', is located below the 'Sincerely,' text.
