Re: Petition No. 1293-CW-02 (Cheshire and Wallingford) Notice of Completion

Dear Attorney Bachman:

On April 20, 2021, Eversource Energy (“Eversource”) received an acknowledgement from the Connecticut Siting Council (“Council”) of Eversource’s notice to replace 7 transmission structures along the Eversource transmission right-of-way in the Towns of Cheshire and Wallingford subject to conditions. Among other conditions of the acknowledgement, the Council required that Eversource submit the following item:

- Not less than 45 days after completion of the transmission line maintenance activity, the Council shall be notified in writing that construction has been completed.

Construction was completed on February 11, 2022.

Eversource will be providing one original and two hard copies in the mail for the Council’s records.

Sincerely,

Kathleen M. Shanley  
Manager, Transmission Siting
