Re: Petition No. 1293-ELW-01 (East Lyme and Waterford) Notice of Completion

Dear Attorney Bachman:

On April 6, 2021, Eversource Energy (“Eversource”) received an acknowledgement from the Connecticut Siting Council (“Council”) of Eversource’s notice to replace nine transmission structures along the Eversource transmission right-of-way in the Towns of East Lyme and Waterford subject to conditions. Among other conditions of the acknowledgement, the Council required that Eversource submit the following item:

- Not less than 45 days after completion of the transmission line maintenance activity, the Council shall be notified in writing that construction has been completed.

Construction was completed on June 24, 2021.

Eversource is submitting this notice electronically and will be providing three (3) hard copies in the mail for the Council’s records.

Sincerely,

Kathleen M. Shanley
Manager, Transmission Siting
