Re: Petition No. 1293-HCDREOS-02 (Haddam, Chester, Deep River, Essex and Old Saybrook)
Notice of Completion

Dear Attorney Bachman:

On July 1, 2019, Eversource Energy (“Eversource”) received an acknowledgement from the Connecticut Siting Council (“Council”) of Eversource’s notice to replace 23 transmission structures along the Eversource transmission rights-of-way in the Towns of Haddam, Chester, Deep River, Essex and Old Saybrook subject to conditions. On April 30, 2020, Eversource was granted an extension from the Council to complete maintenance improvements associated with the structure replacement project by July 1, 2021. Among other conditions of the acknowledgement, the Council required that Eversource submit the following item:

- Not less than 45 days after completion of the transmission line maintenance activity, the Council shall be notified in writing that construction has been completed.

Construction was completed on March 26, 2021.

Due to COVID-19, Eversource is submitting this notice electronically and will be providing one hard copy in the mail for the Council’s records.

Sincerely,

Kathleen M. Shanley
Manager, Transmission Siting
