RE: **Sub-Petition No. 1293-KL-01 (Killingly)** – Eversource Energy declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for all transmission facility asset condition maintenance improvements statewide to comply with the updated National Electrical Safety Code clearance requirements. Notice of Completion of Construction

The Connecticut Light and Power Company doing business as Eversource Energy, Inc. (“Eversource”) submits this letter to comply with the Connecticut Siting Council’s (the “Council”) condition of approval in the above-referenced sub-petition, as follows:

- Within 45 days after completion of construction, the Council shall be notified in writing that construction has been completed.

Accordingly, this letter is to provide notice that on November 1, 2022, Eversource completed construction of the project.

If you have any questions or comments, please call me at (860) 728-4527.

Sincerely,

Kathleen M. Shanley
