Re: Petition No. 1293-MEHHEH-01 (Middletown, East Hampton, Haddam, East Haddam) Notice of Completion

Dear Attorney Bachman:

On January 30, 2020, Eversource Energy (“Eversource”) received an acknowledgement from the Connecticut Siting Council (“Council”) of Eversource’s notice to replace 11 transmission structures along the Eversource transmission right-of-way in the Towns of Middletown, East Hampton, Haddam and East Haddam subject to conditions. On December 1, 2020, Eversource was granted an extension from the Council to complete maintenance improvements associated with the structure replacement project by January 30, 2022. Among other conditions of the acknowledgement, the Council required that Eversource submit the following item:

- Not less than 45 days after completion of the transmission line maintenance activity, the Council shall be notified in writing that construction has been completed.

Construction was completed on September 20, 2021.

Enclosed are this original and three (3) copies of this Notice of Completion.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kathleen M. Shanley".
