RE: SUB-PETITION NO. 1293- MI-01 (Middlefield) - Eversource Energy declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for all transmission facility asset condition maintenance improvements statewide to comply with the updated National Electric Safety Code clearance requirements.

Dear Ms. Shanley:

The Connecticut Siting Council (Council) is in receipt of your correspondence of October 6, 2021 submitted in response to the Council's October 5, 2021 notification of an incomplete sub-petition with regard to the above-referenced matter.

The submission renders the sub-petition complete and the Council will process the sub-petition in accordance with the Council's Declaratory Ruling in Petition No. 1293 dated March 31, 2017.

Thank you for your attention and cooperation.

Sincerely,

A handwritten signature in black ink, appearing to read "Melanie Bachman".

RE: Sub-Petition No.1293-MI-01

Dear Attorney Bachman:

The Connecticut Light and Power Company doing business as Eversource Energy filed the subject Sub-Petition No.1293-MI-01 ("Sub-Petition") with the Connecticut Siting Council ("Council") on September 13, 2021 regarding maintenance work within its transmission right-of-way in Middlefield, Connecticut. The Sub-Petition's Affidavit of Notice was erroneously sent to the City of Middletown and not to the Town of Middlefield.

Eversource sent a copy of the Sub-Petition to the town of Middlefield today, October 6, 2021 as shown in the attached affidavit.

Eversource appreciates the Council calling out the error and apologizes for the confusion.

Please contact me at 860-728-4527 if you have any questions.

Sincerely,

Kathleen M. Shanley
Manager – Transmission Siting
