Re: Petition No. 1293-MM-02 (Middlefield and Middletown) Notice of Completion

Dear Attorney Bachman:

On August 10, 2020, Eversource Energy (“Eversource”) received an acknowledgement from the Connecticut Siting Council (“Council”) of Eversource’s notice to replace 17 transmission structures at various locations along the Eversource transmission rights-of-way in the Towns of Middletown and Middlefield subject to conditions. On August 16, 2021, Eversource was granted an extension from the Council to complete maintenance improvements associated with the structure replacement project by August 10, 2022. Among other conditions of the acknowledgement, the Council required that Eversource submit the following item:

- Not less than 45 days after completion of the transmission line maintenance activity, the Council shall be notified in writing that construction has been completed.

Construction was completed on April 27, 2022.

Due to COVID-19, Eversource is submitting this notice electronically and will be providing one hard copy in the mail for the Council’s records.

Sincerely,

Kathleen M. Shanley
Manager, Transmission Siting
