the updated National Electrical Safety Code clearance requirements.

Dear Ms. Shanley:

The Connecticut Siting Council (Council) is in receipt of your letter dated August 13, 2021 rescinding the project completion letter erroneously submitted to the Council on October 19, 2020 and requesting an extension of time to complete maintenance improvements associated with the above-referenced sub-petition which was approved by the Council on August 10, 2020. As stated in your letter, final engineering and a Natural Diversity Database review were recently completed for three structures and construction mobilization will be commencing soon.

Pursuant to Condition No. 5 of the Council's decision letter dated August 10, 2020, the Council hereby grants an additional extension of time until August 10, 2022 to complete the improvements for the above-referenced sub-petition.

This extension is granted with the understanding that the Council will be notified should Eversource need additional time to complete maintenance improvements or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman
