Notice of Completion

Dear Director Bachman:

On May 22, 2018, Eversource Energy (“Eversource”) received an acknowledgement from the Connecticut Siting Council (“Council”) of Eversource’s notice to replace seven transmission structures at various locations along the Eversource transmission right-of-way in the Towns of North Branford and Branford subject to conditions. On March 13, 2019 Eversource was granted an extension from the Council to complete the activities associated with the structure replacement project by December 31, 2019. Among other conditions of the acknowledgement, the Council required that Eversource submit the following item:

- Not less than 45 days after completion of the transmission line maintenance activity, the Council shall be notified in writing that construction has been completed.

Construction was completed on December 16, 2019.

Enclosed are this original and two (2) copies of this Notice of Completion.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kathleen M. Shanley", written in a cursive style.
