RE: Sub-Petition 1293-NM-01  
Request for Extension

Dear Attorney Bachman:

The Connecticut Light and Power Company doing business as Eversource Energy (Eversource) received approval from the Connecticut Siting Council ("Council") on October 24, 2019 (Petition No. 1293). In its October 24, 2019 letter acknowledging the above-referenced Sub-Petition, the Council included conditions regarding the work undertaken pursuant to this Sub-Petition. Eversource is requesting an extension of the deadline for completing the work activities based on the following condition:

- The petitioner may file a request for an extension of time beyond the one-year deadline provided that such request is submitted to the Council not less than 60 days prior to the expiration.

The project has experienced delays due to a number of factors and Eversource hereby requests that the one-year deadline to complete these activities be extended to October 24, 2021.

Thank you for your attention to this matter. If you have any questions or comments, please call me at (860) 728-4532.

Sincerely,

Kathleen M. Shanley
