Re: Petition No. 1293-NMWRWW-02 (New Milford, Washington, Roxbury, Woodbury and Watertown) Notice of Completion

Dear Attorney Bachman:

On October 25, 2021, Eversource Energy (“Eversource”) received an acknowledgement from the Connecticut Siting Council (“Council”) of Eversource’s notice to replace 17 transmission structures along the Eversource transmission rights-of-way in the Towns of New Milford, Washington, Roxbury, Woodbury and Watertown, subject to conditions. Among other conditions of the acknowledgement, the Council required that Eversource submit the following item:

- Not less than 45 days after completion of the transmission line maintenance activity, the Council shall be notified in writing that construction has been completed.

Construction was completed on September 6, 2022.

Eversource will be providing one original and three hard copies in the mail for the Council’s records.

Sincerely,

Kathleen M. Shanley
Manager, Transmission Siting
