RE: Sub-Petition 1293-OX-02 (Oxford)  
Request for Extension

Dear Attorney Bachman:

The Connecticut Light and Power Company doing business as Eversource Energy (Eversource) received approval from the Connecticut Siting Council (“Council”) on September 27, 2021 (Petition No. 1293). In its September 27, 2021 letter acknowledging the above referenced Sub-Petition, the Council included conditions regarding the need for additional time to complete maintenance improvements on the above-referenced Sub-Petition based on the following condition:

- The petitioner may file a request for an extension of time beyond the one-year deadline provided that such request is submitted to the Council not less than 60 days prior to the expiration.

The project has experienced delays due to a number of factors and Eversource hereby requests that the deadline to complete these activities be extended to September 27, 2023.

Thank you for your attention to this matter. If you have any questions or comments, please call me at (860) 728-4532.

Sincerely,
