Re: Sub-Petition No. 1293-PT-01 (Putnam and Thompson) Notice of Completion

Dear Attorney Bachman:

On July 5, 2022, Eversource Energy (“Eversource”) received an acknowledgement from the Connecticut Siting Council (“Council”) of Eversource’s notice to replace three transmission structures along the Eversource transmission right-of-way in the Towns of Putnam and Thompson, the 347 Transmission Line Structure Replacement Project, subject to conditions. Among other conditions of the acknowledgement, the Council required that Eversource submit the following item:

- Not less than 45 days after completion of the transmission line maintenance activity, the Council shall be notified in writing that construction has been completed.

Construction was completed on March 1, 2023.

Eversource will be providing one original and three hard copies in the mail for the Council’s records.

Sincerely,

A handwritten signature in cursive script that reads "Deborah Denfeld".
