RE: Sub-Petition 1293-SBMM-01
Request for Extension

Dear Attorney Bachman:

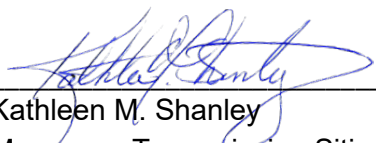

The Connecticut Light and Power Company doing business as Eversource Energy (“Eversource”) received approval from the Connecticut Siting Council (“Council”) on June 2, 2020 (Petition No. 1293). On April 5, 2021 Eversource was granted a one-year extension to complete the improvements associated with the above-referenced sub-petition by June 2, 2022. Eversource is requesting an extension of the deadline for completing the work activities based on the following condition:

- This extension is granted with the understanding that the Council will be notified should Eversource need additional time to complete maintenance improvements or decides not to proceed with construction.

The project has experienced delays due to a number of factors and Eversource hereby requests that the deadline to complete these activities be further extended to June 2, 2023.

Thank you for your attention to this matter. If you have any questions or comments, please call me at (860) 728-4532.

Sincerely,

Kathleen M. Shanley
