Re: Petition No. 1293-SNS-01 (Stonington and North Stonington) Notice of Completion

Dear Attorney Bachman:

On November 21, 2019, Eversource Energy (“Eversource”) received an acknowledgement from the Connecticut Siting Council (“Council”) of Eversource’s notice to replace 20 transmission structures along the Eversource transmission right-of-way in the Towns of Stonington and North Stonington subject to conditions. On September 22, 2020, Eversource was granted an extension from the Council to complete maintenance improvements associated with the structure replacement project by November 21, 2021. Among other conditions of the acknowledgement, the Council required that Eversource submit the following item:

- Not less than 45 days after completion of the transmission line maintenance activity, the Council shall be notified in writing that construction has been completed.

Construction was completed on August 8, 2021.

Eversource will be providing one original and two hard copies in the mail for the Council’s records.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kathleen M. Shanley", written over a light blue circular stamp.
