Re: Petition No. 1293-SEEW-01 (Somers, Ellington, East Windsor) Notice of Completion

Dear Attorney Bachman:

On December 30, 2021, Eversource Energy (“Eversource”) received an acknowledgement from the Connecticut Siting Council (“Council”) of Eversource’s notice to replace nine transmission structures along the Eversource transmission right-of-way in the Towns of Somers, Ellington, and East Windsor, subject to conditions. Among other conditions of the acknowledgement, the Council required that Eversource submit the following item:

- Not less than 45 days after completion of the transmission line maintenance activity, the Council shall be notified in writing that construction has been completed.

Construction was completed on August 5, 2022.

Eversource will be providing one original and three hard copies in the mail for the Council’s records.

Sincerely,

Kathleen M. Shanley  
Manager, Transmission Siting
