Re: Petition No. 1293-SW-01 (South Windsor) Notice of Completion

Dear Attorney Bachman:

On July 29, 2019, Eversource Energy (“Eversource”) received an acknowledgement from the Connecticut Siting Council (“Council”) of Eversource’s notice to replace 52 transmission structures along the Eversource transmission right-of-way in the Town of South Windsor subject to conditions. On May 12, 2020, Eversource was granted an extension from the Council to complete maintenance improvements associated with the structure replacement project by July 29, 2021. Among other conditions of the acknowledgement, the Council required that Eversource submit the following item:

- Not less than 45 days after completion of the transmission line maintenance activity, the Council shall be notified in writing that construction has been completed.

Construction was completed on April 23, 2021.

Due to COVID-19, Eversource is submitting this notice electronically and will be providing one hard copy in the mail for the Council’s records.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kathleen M. Shanley".
