Re: Petition No. 1293-SWV-01 (South Windsor and Vernon) Notice of Completion

Dear Attorney Bachman:

On October 23, 2020, Eversource Energy (“Eversource”) received an acknowledgement from the Connecticut Siting Council (“Council”) of Eversource’s notice to replace 13 transmission structures along the Eversource transmission right-of-way in the Towns of South Windsor and Vernon subject to conditions. Among other conditions of the acknowledgement, the Council required that Eversource submit the following item:

- Not less than 45 days after completion of the transmission line maintenance activity, the Council shall be notified in writing that construction has been completed.

Construction was completed on June 25, 2021.

Due to COVID-19, Eversource is submitting this notice electronically and will be providing one hard copy in the mail for the Council’s records.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kathleen M. Shanley", with a stylized flourish at the end.
