Dear Ms. Bachman:

On March 8, 2021, Eversource Energy ("Eversource") received an acknowledgement from the Connecticut Siting Council ("Council") of Eversource's notice to replace 3 transmission structures along the Eversource transmission right-of-way in the Town of Wilton, subject to conditions. Among other conditions of the acknowledgement, the Council required that Eversource submit the following item:

- Written notification to the Council within 45 days after completion of construction. Eversource completed construction on June 30, 2021; this letter provides notice of completion of this modification.

If you have any questions or comments, please call me at (860) 728-4527.

Sincerely,

Kathleen M. Shanley
