Dear Attorney Bachman:

On July 12, 2022, Eversource Energy (“Eversource”) received an acknowledgement from the Connecticut Siting Council (“Council”) of Eversource’s notice to replace two transmission structures at various locations along Eversource transmission line right-of-way in the Town of Windsor Locks and East Windsor, Connecticut. Among other conditions of the acknowledgement, the Council required that Eversource submit the following item:

- Not less than 45 days after completion of the transmission line maintenance activity, the Council shall be notified in writing that construction has been completed.

Construction was completed on May 16, 2023.

Additionally, a representative photograph of the completed work, is included as *Attachment A*.

Eversource will be providing one original and two hard copies of this notice in the mail for the Council’s records.

Sincerely,

A handwritten signature in cursive script that reads "Deborah Denfeld".
