Re: Petition No. 1313 – Petition of DWW Solar II, LLC for a Declaratory Ruling that no Certificate of Environmental Compatibility and Public Need is Required for a 26.4 Megawatt AC Solar Photovoltaic Electric Generating Facility In Simsbury, Connecticut

Dear Ms. Hazen:

I am writing on behalf of my client, DWW Solar II, LLC (“DWW”) in connection with the above-referenced Petition, filed with The Connecticut Siting Council (“Siting Council”) in June of 2017. On January 31, 2019, copies of DWW’s Development and Management Plan (“D&M Plan”) were filed with the Siting Council. For your convenience, I am forwarding a copy of the D&M Plan along with a compact disk containing the D&M Plan for your review.

If you would have any questions, please feel free to contact me at your convenience.

Sincerely,

Lee D. Hoffman

Enclosure

Cc: Robert Mercier, Connecticut Siting Council (by e-mail)
