Re: Petition 1342 - GRE GACRUX LLC Petition for a Declaratory Ruling, Pursuant to Connecticut General Statutes §4-176 and §16-50k, for the Proposed Construction, Maintenance and Operation of a 4.98 MW AC Ground-mounted Solar Photovoltaic Electric Generating Facility Located on Middletown Avenue in North Haven, Connecticut

Dear Ms. Bachman:

I am writing on behalf of my client, CF North Haven LLC (“CF North Haven”), regarding the above-referenced Petition and Project.¹

Specifically, this Letter serves as notice that CF North Haven is in the process of selling its membership interests to Clean Focus Yield LLC (“Clean Focus”).

Condition Number 7 of the Council’s June 8, 2018 Decision and Order for the Project (“Order”) states that,

If the facility owner/operator is a wholly owned subsidiary of a corporation or other entity and is sold/transferred to another corporation or other entity, the Council shall be notified of such sale and/or transfer and of any change in contact information for the individual or representative responsible for management and operations of the facility within 30 days of the sale and/or transfer.

Accordingly, pursuant to Condition Number 7 of the Order, CF North Haven is providing notice of this transfer to the Council.

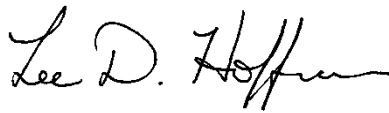

¹ By correspondence dated July 25, 2019, the Council acknowledged the assignment of the rights in the Project from GRE GACRUX LLC to CF North Haven LLC.

The Council should further be aware that CF North Haven LLC will remain the direct owner of the Project and will remain the entity responsible for its management and operation(s). Therefore, there will be no change in contact information or in terms of counsel of record.

If you have any questions concerning this submittal, please contact the undersigned at your convenience.
