RE: **PETITION NO. 1376** - The Connecticut Light and Power Company d/b/a Eversource Energy declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for proposed electrical interconnection between its existing Scitico Substation located at 20 Bailey Road, Enfield, Connecticut and Nutmeg Solar, LLC's 19.6 megawatt solar photovoltaic electric generating facility located generally south of Bailey Road and east of Route 191 (Broad Brook Road) in Enfield, Connecticut consisting of modifications to the Scitico Substation, relocation of the existing No. 1976 electric transmission line that terminates at Scitico Substation, the construction, operation and maintenance of a new approximately 330-foot 115-kilovolt (kV) underground transmission line, and related substation and electric transmission line structure improvements.

Dear Ms. Taylor:

The Connecticut Siting Council (Council) is in receipt of your email correspondence of August 20, 2020 regarding temporary changes to work hours for the above-referenced declaratory ruling issued by the Council on September 13, 2019.

Pursuant to Condition No. 1 of the Council's Decision of September 13, 2019, your request to perform work from 9:00 a.m. to 7:00 p.m. on Sunday, August 23, 2020 is hereby approved.

Due to a schedule delay resulting from recent storm restoration activities, the extended work hours are necessary to terminate the new underground cable at the termination structures during a scheduled outage.

This approval applies only to the request for extended work hours in your email of August 20, 2020. Any significant changes to the project require advance Council notification and approval.

Thank you for your attention and cooperation.

Sincerely,

s/Melanie A. Bachman

Melanie A. Bachman
Executive Director

Subject: Petition No. 1376: Proposed Sunday Work Hours for August 23

Petition No: 1376 Scitico Substation and Nutmeg Interconnection
Proposed Sunday Work Hours for August 23

Dear Melanie Bachman:

Due to a schedule delay resulting from the focus on restoration following the recent storm event, Eversource is requesting approval from Council staff for Sunday work hours (9 a.m. to 7 p.m.) on August 23. The associated work activities would be terminating the new underground cable to the termination structures during the scheduled outage.

The municipal officials of Enfield and the abutters have been notified of the of work activities.

If you have any questions or concerns about this work, please contact me
