Re: **Petition No. 1379 – Petition of Cellco Partnership d/b/a Verizon Wireless
1270 North High Street, East Haven, Connecticut**

Request for Staff Approval of Minor Project Changes

Dear Attorney Bachman:

I write, on behalf of Cellco Partnership d/b/a Verizon Wireless (“Cellco”), to request the approval of a minor project modification involving the roof-top telecommunications facility approved in Petition No. 1379.

During the design of the final antenna mounting system it was determined that a slightly larger T-Arm standoff would be used. This new standoff element would extend the T-Arm standoff by six (6) inches, from eighteen (18) inches as originally designed to twenty four (24) inches. Pursuant to Condition No. 1 of the Council’s October 25, 2019 approval, we respectfully submit that the modification referenced above constitutes a minor project change that may be approved by Council staff.

Please feel free to contact me if you have any questions or need any additional information. Thank you in advance for your cooperation.

Sincerely,

Kenneth C. Baldwin
