**RE: PETITION NO. 1395** – Windham Solar LLC petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of three 1.0-megawatt (MW) solar photovoltaic electric generating facilities located at 31 Benz Street, Ansonia, Connecticut.

Dear Mr. Melone:

The Connecticut Siting Council (Council) received the petition for the above-referenced facility on February 26, 2020.

According to Section 16-50j-39a of the Regulations of Connecticut State Agencies, “no declaratory ruling shall be issued to any person until a complete petition containing all information relevant by the Council has been filed.”

Staff has reviewed this petition for completeness and has identified a deficiency. The Council did not receive the required filing fee, pursuant to Regulations of Connecticut State Agencies § 16-50v-1a, to begin processing the petition filing.

Therefore, the petition is incomplete at this time. The Council recommends that the petitioner provide a filing fee in the amount of \$625, payable to the Connecticut Siting Council on or before March 4, 2020. If additional time is needed to provide the required filing fee, please submit a written request for an extension of time prior to March 4, 2020.

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie A. Bachman  
Executive Director
