RE: Petition #1398 -- LSE Pictor LLC Petition for a Declaratory Ruling that No Certificate of Environmental Compatibility and Public Need is Required for the Construction, Operation and Maintenance of Solar Photovoltaic Facility in Winchester, Connecticut

Dear Attorney Bachman:

Petitioner LSE Pictor LLC ("Lodestar") would like to provide the Council with an update on this Project. As noted in Lodestar's various filings, Lodestar had been working with the Town of Winchester on a virtual net metering agreement so that the Town could receive the benefit of the virtual net metering credits generated by this Project. Lodestar is pleased to inform the Council that it has executed the virtual net metering agreement with the Town of Winchester. As finalized, the Town will receive 2/3 of the virtual net metering credits generated by the Project and the Town of South Windsor will receive the remaining 1/3.

Lodestar appreciates the Town's continued support of this Project. Please let me know if you have any questions.

Sincerely,

Carrie Larson Ortolano
