Installation of A Small Cell Wireless Telecommunication Facility

Connecticut Siting Council Petition No. 1411

Dear Sir or Madam:

We are writing to you on behalf of our client New Cingular Wireless PCS, LLC ("AT&T") with respect to the above referenced matter and our client's petition for a declaratory ruling with the State of Connecticut Siting Council for approval of the installation of a small cell wireless telecommunication facility on an existing commercial building (the "Facility") at above-captioned property owned by SRI RE LLC.

State law requires that record owners of property abutting a parcel on which a facility is proposed be sent notice of an applicant's intent to file a petition with the Siting Council. Inadvertently, notice of intent was not sent to you. Therefore, we are sending a copy of AT&T's Petition filed with the Connecticut Siting Council which details AT&T's proposal. Please note, the location, height and other features of the Facility are subject to review and potential change by the Connecticut Siting Council under the provisions of Connecticut General Statutes §16-50g et seq.

If you have any questions concerning this petition, assigned Petition No. 1411, please contact the Connecticut Siting Council or the undersigned.

Very truly yours,

A handwritten signature in cursive script that reads "Lucia Chiochio".
