**Re: Petition No. 1417 - Watertown Solar One, LLC and VCP, LLC d/b/a Verogy (“Petitioner”) – Petition for a Declaratory Ruling that a Certificate of Environmental Compatibility and Public Need is not Required for the Construction, Operation and Maintenance of a 1.975 MWAC Solar Photovoltaic Project at 669 Platt Road in Watertown, Connecticut and Associated Electrical Interconnection**

Dear Attorney Bachman:

On Friday December 4<sup>th</sup>, 2020, Watertown Solar One, LLC delivered a letter via electronic mail to your office regarding the intended staging of modules and related system components at the project site for the recently approved Petition No. 1417 – Watertown Solar One, LLC.

This letter is to formally notify the Council that Watertown Solar One, LLC no longer intends to stage modules and related system components at the project site prior to having its Development and Management Plan approved by the Council. Watertown Solar One, LLC may submit such request with its Development and Management Plan in the future but does not currently wish to have its initial request granted at this time.

Thank you in advance for your consideration.

Sincerely,

Bryan Fitzgerald
