RE: **PETITION NO. 1422** - Greenskies Clean Energy, LLC petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a 4.99-megawatt AC solar photovoltaic electric generating facility to be located at Mulnite Farms, Inc. off Barber Hill Road west of the intersection with Rockville Road, East Windsor, Connecticut and associated electrical interconnection.

---

The current deadline for a final decision on the above-mentioned petition for a declaratory ruling is April 15, 2021.

Due to the late request for a public hearing and the March 25, 2021 close of public comment record for this matter, the Connecticut Siting Council (Council) will need additional time to render a final decision.

Pursuant to Connecticut General Statutes §4-176(i), “If an agency does not issue a final decision within one hundred and eighty days after the filing of a petition therefor, **or within such longer period as may be agreed by the parties**, the agency shall be deemed to have decided not to issue such ruling.” (Emphasis added).

The Council hereby requests the parties and intervenors to this proceeding to respond in writing on or before March 3, 2021 as to whether there is agreement to grant the Council an extension of time to May 15, 2021 to render a final decision on this petition.

If you have any questions about Council procedures, please do not hesitate to contact me at the Council office at 860-827-2935.

Thank you.
