Dear Attorney Hoffman:

The Connecticut Siting Council (Council) is in receipt of your correspondence dated March 31, 2022 regarding the revision to the Development and Management (D&M) Plan for the above-referenced site that was approved by the Council on July 30, 2021.

Pursuant to Regulations of Connecticut State Agencies §16-50j-62(b), your request for the installation of a temporary sound baffle inside the project fencing at the north end of the site to be in place until a full acoustic study can be performed and a permanent solution developed is hereby approved.

This approval applies only to the D&M Plan revision dated March 31, 2022. Any significant changes to the D&M Plan require advance Council notification and approval.

Please be advised that deviations from the standards established by the Council in the Declaratory Ruling and approved D&M Plan are enforceable under the provisions of Connecticut General Statutes § 16-50u.

Thank you for your attention and cooperation.

Sincerely,
