Dear Ms. Bachman:

The Drinking Water Section, on behalf of the Department of Public Health Commissioner, has reviewed the application associated with the above noted petition for potential impacts to any sources of public drinking water supply. This project does not appear to be in a public water supply source water area; therefore, the Drinking Water Section has no comments at this time.

Thank you for the opportunity to comment on this petition. If you have any questions, you may contact Rich Iozzo at (860)509-7333.

Sincerely,

A handwritten signature in blue ink that reads "Lori J. Mathieu '21".
