RE: **PETITION NO. 1426** - East Windsor Solar One, LLC petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a 4.9-megawatt AC solar photovoltaic electric generating facility located west of the Ellington town boundary at 341 East Road, East Windsor, Connecticut and associated electrical interconnection.

The current deadline for a final decision on the above-mentioned petition for a declaratory ruling is May 7, 2021.

Due to the late request for a public hearing and the April 1, 2021 close of public comment record for this matter, the Connecticut Siting Council (Council) will need additional time to render a final decision.

Pursuant to Connecticut General Statutes §4-176(i), "If an agency does not issue a final decision within one hundred and eighty days after the filing of a petition therefor, **or within such longer period as may be agreed by the parties**, the agency shall be deemed to have decided not to issue such ruling." (Emphasis added).

The Council hereby requests the parties and intervenors to this proceeding to respond in writing on or before March 15, 2021 as to whether there is agreement to grant the Council an extension of time to May 24, 2021 to render a final decision on this petition.

If you have any questions about Council procedures, please do not hesitate to contact me at the Council office at 860-827-2935.

Thank you.
