Re: Petition No. 1433: 1191 Line Rebuild Project
Notice of Construction Completion

Dear Attorney Bachman:

On January 28, 2021, the Connecticut Siting Council (“Council”) issued a declaratory ruling that The Connecticut Light and Power Company dba Eversource Energy’s (“Eversource”) would not be required for the work proposed in Petition No. 1433, subject to conditions. Among other conditions of the ruling, the Council required that Eversource submit the following item:

- Within 45 days after completion of construction, the Council shall be notified in writing that the construction has been completed.

Eversource construction to replace the 115-kilovolt 1191 Line was completed as of December 21, 2021. Eversource submits this notice of construction completion in accordance with Condition 4 of the Council’s declaratory ruling.

Please do not hesitate to contact me at 860-728-4527 should you have any questions regarding this notice.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kathleen M. Shanley". The signature is fluid and cursive, with a large loop at the end.
