RE: **PETITION NO. 1433** - The Connecticut Light and Power Company d/b/a Eversource Energy declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed 1191 Line Rebuild Project, consisting of the replacement and reconductoring of electric transmission line structures along approximately 10 miles of its existing No. 1191 115- kilovolt (kV) single-circuit electric transmission line within existing Eversource electric transmission line right-of-way between the existing Frost Bridge Substation in Watertown and the existing Campville Substation in Harwinton, Connecticut, traversing Watertown, Thomaston, Litchfield and Harwinton, Connecticut, and related electric transmission line structure improvements.

Dear Ms. Taylor:

The Connecticut Siting Council (Council) is in receipt of your email correspondence dated September 3, 2021 regarding changes to the above-referenced declaratory ruling issued by the Council on January 29, 2021. Pursuant to Condition No. 1 of Council's Decision of January 29, 2021, your request for Sunday work hours (9 AM to 6 PM) on September 12 and September 19 is hereby approved. The Sunday work hours are necessary to complete conductor installation in Thomaston and Litchfield during scheduled outages.

This approval applies only to the request for project changes listed in your email correspondence of September 3, 2021. Any significant changes to the project require advance Council notification and approval.

Thank you for your attention and cooperation.

Sincerely,

Melanie A. Bachman
Executive Director

Subject: Petition No. 1433 - 1191 Sunday Work Hours (9/12 and 2/19)

Dear Ms. Bachman:

Due to the interruption resulting from the recent storms, Eversource is requesting approval from the Connecticut Siting Council staff for Sunday work hours (9 AM to 6 PM) on September 12 and 19. The associated work activities would be to complete the final conductor installation in Thomaston and Litchfield. The Sunday work hours are required to maintain the line energization schedule during scheduled outages.

The municipal officials of Thomaston and Litchfield have been notified and the abutters will be contacted about this work in advance of work activities.

If you have any questions or concerns about this work, please contact me.
